The commencement of the program will coincide with the release of the January 2018 issue of the bi-monthly Quiltmania magazine. The six 2018 issues of the magazine will reveal the complete pattern, finishing in November 2018.

The Mystery quilt is being made using Karen Styles’ new “Bathwick” fabric collection and will include an exclusive “mystery” fabric which will only be made available to subscribers to the program.

In signing up for this BoM program, I acknowledge that I am committing to the cost of all 6 instalments of the fabric kits, which are priced at \$77.00 per instalment. The total cost of the six instalments is \$462.00. The fabrics provided will be exactly the same as those used in Karen’s original quilt. Also included in the cost each month will be the required packs of English Paper Piecing hexagon shapes, provided in month #1 and #6.

I wish to include the following optional additions in my subscription (please tick the applicable box or boxes) -

- “Quiltmania” magazine
- supplied with each bi-monthly kit at an additional cost of \$18.00 per issue
- “Bathwick” custom-made acrylic templates set
- supplied and paid for in month #1 at an additional total price of \$30.00
- “Bathwick” backing fabric - 4.50 metres, as chosen by Karen Styles and displayed on Somerset Patchwork’s website. Reserving 4.50m of this fabric now, costs \$102.00 (saving 15%), payable in 6 equal instalments of \$17.00; supplied in month #6.

I understand that postage at each mail-out is additional to the above and may vary from month to month depending on the weight of the parcel. (NB: Only the actual cost of postage is charged)
