The commencement of the program will coincide with the release of the January 2020 issue of the bi-monthly Quiltmania magazine. The six 2020 issues of the magazine will reveal the complete pattern, finishing in November 2020.

The Mystery quilt is being made using Sarah Maxwell’s new “Full Circle” fabric collection and will include an exclusive “mystery” fabric which will only be made available to subscribers to the program.

In signing up for this BoM program, I acknowledge that I am committing to the cost of all 6 instalments of the fabric kits, which are priced at \$72.00 per instalment. The total cost of the six instalments is \$432.00. The fabrics provided will be exactly the same as those used in Sarah’s original quilt.

I wish to include the following optional additions in my subscription (please tick the applicable box or boxes) -

- “Quiltmania” magazine
- supplied with each bi-monthly kit at an additional cost of \$18.50 per issue
- “Swivel” backing fabric offer - 4.75 metres of the selected fabric from Sarah’s “Full Circle” collection, displayed on Somerset Patchwork’s website. Reserving 4.75m of this fabric now, allows the \$132.00 cost to be spread over 6 equal instalments of \$22.00. The fabric will be supplied with instalment #6.

I understand that postage at each mail-out is additional to the above and may vary from month to month depending on the weight of the parcel. (NB: Only the actual cost of postage is charged)
